Dear Parent/Carer

We are currently considering extending the range of services we offer. We have identified a range of features offered by Tots At Work which may be of benefit to you, and would appreciate it if you could spend a few moments to complete the questions below.

Summary of Features

Internet based viewing system

Allows parents/carers to securely view live images of their children at their Nursery.

Online Photo Gallery and Portfolio

Contains digital images of your child and selected pieces of their work, which are stored securely in their own dedicated area, which only you can access.

Online Development Records

Are an easy to follow chart of your child's development at Nursery. It shows information on the key areas of their development and the dates that they achieved various goals. The Development Record is a key tool allowing parents to monitor and build on their child's progress .

Message Boards

Allow the Nursery and parents/carers to leave messages during the day.
